Name: _____ Date: _____

This worksheet is to be used to help you think through your own commitment to Jesus Christ and to help us understand your spiritual background. Please endeavor to answer all the questions as completely and specifically as possible. Complete paragraphs would be helpful. It would also help if you did your best to write legibly.

1. Have you come to the place in your spiritual life where you know for certain that, if you were to die tonight, you would go to heaven?

YES NO I DON'T KNOW FOR SURE

2. Suppose you were to die tonight and stand before God, and He were to say to you, "Why should I let you into My heaven?" What would you say?

3. What were the events that led up to you becoming a Christian?

4. How is your life different because you are a Christian?

5. How would you explain to another person what makes someone a Christian?
