**NEW Sermon Series Begins Jan. 24 – The Epistle of James** - Today we have more Bible translations, more Christian books, more inspiring music, more TV preachers, and more access to the written and preached Word than at any time in history. But is the Church any different? We are hearing the Word preached and analyzed as never before but the Church has not experienced a comparable degree of transformation. In light of this, we will begin a sermon series on the Epistle of James who seems very concerned with powerfully calling the Church to repentance, consistency and action. James says, "Don't merely listen to the Word, and so deceive yourselves. Do what it says." Join us on Sunday Mornings at 11am for Dynamic Worship and Transformational Teaching.
